Commitments / Responsibilities / Liabilities of the Parties

Article 6

Gazi University and Urmia University (hereinafter referred to as the Parties) agree on cooperation under the legal regulations of both countries for the articles below:

Both parties;

- a) Make the necessary arrangements within the framework of legal regulations for the exchange of lecturers and students in academic units and encourages scientific research work,
- b) Contribute to the curriculum preparation and development of the faculties at the university,
- c) Organize joint research projects, conferences, meetings seminars, workshops, scientific activities and joint courses,
- d) Produce and share information and publication, within the framework of legal legislation.
- e) Support the exchange/share of scientific research data and technical equipment.
- f) Provide support to the students studying at the associate, undergraduate, thesis/non-thesis Master's Degree and Doctoral Degree programs in order to benefit from the courses, internships and all kinds of educational activities in the relevant programs within framework of legal legislation.
- g) Should plan exchange and research activities related to joint scientific research studies separately, by taking into account the resources and facilities of each university; arrange exchange program rules and procedures in an additional protocol.
- h) Plan principles for mutual implementation of education and training, research and library facilities within the scope of the cooperation to be made.
- i) This agreement will not create any obligatory financial liabilities for any party.
- j) This agreement will not cause any special obligations about mutual cooperations for any party,
- k) If it is thought that the results of the researches will affect the intellectual property rights issues during the joint projects within the framework of this protocol, the parties should prepare an additional protocol regulating the conditions regarding the intellectual property rights that may arise before the project starts,
- l) The implementation of this protocol is subject to the laws in force in the territory of each Party. The parties are responsible for obtaining the necessary internal or other types of permissions in accordance with the law.

Amendment to The Agreement

Article 7

With the consensus of the parties, there can be changes on the protocol. Changes made are governed by an additional protocol.

Duration and Expiration of the Agreement

Article 8

This agreement will be valid for 5 (five) years from the date of signatures. After this duration, it can be extended upon the negotiation of the parties.

Termination of the Agreement

Article 9

The Rectorate of Gazi University and The Rectorate Urmia University and Information will have the right to unilaterally terminate this agreement with 30 (thirty) days notice. In case of termination and expiration of the protocol, the terms of this protocol will be valid until the ongoing applications are completed.

Force Majeure

Article 10

With the emergence of an unforeseen and developing situation beyond the control of the parties after this protocol has been signed, the circumstances that occur outside the control of the parties such as fire, infectious disease, humane and natural disasters and war which made it impossible for one or both of the parties to fulfill their commitments partially or completely or to fulfill them on time are considered force majeure. In the event of a force majeure event, the party affected by the force majeure immediately notifies the other party in writing and the performances of the parties are suspended during the force majeure period. When force majeure disappears, the Protocol resumes from where it left off. The obligations of the party whose rights are not realised during the force majeure period will also be suspended. If the force majeure lasts longer than 6 months, it is a reason for termination without compensation, as it will make the continuity of the Protocol impossible.

Data Protection

Article 11

The parties agree and undertake to act in accordance with the provisions of the legislation they are subject to regarding the protection of personal data, and that the faulty party will be responsible for the damages that may arise due to the violation of these provisions. In this context, the Parties take the necessary administrative and technical measures to obtain, process, transfer, delete or anonymize personal data in accordance with the law.

Resolution of Conflicts

Article 12

The parties will seek to resolve the disputes that may arise during the implementation of the agreement by means of reconciliation and peace.

Execution

Article 13

The functionality of this protocol is provided by the rectors or officials to be determined by the rectors on behalf of the universities
